THE GAME

THE GAME

Drive the helicopter in the sky and destroy as many watermelons as you can launching bullets.

Every watermelon hits gives you a point.

Every watermelon miss reduces your health.

Every watermelon crash gives you a point, but rapidly reduces your health.

THE GAME

Look at the health progress bar in the top right corner. It gets green, orange or red depending on the remaining health.

On the left side you can see current points and last record.

CUSTOMIZE BEFORE STARTING
